NATIVE
port of call table*

*Inspired by Melbourne (the home of Native) and its diverse cultural mix, the **Port of Call** table takes its name from the idea of a ship as a cultural vessel. Ship building techniques are reflected in the ribbed timber structure, designed with legs and support rails to accommodate electrical cables. Thus observing the physical migration of people and information into the electronic.*

specifications:

- construction: – solid oak timber construction
- edge: – reverse bevel
- optional: – recessed channels for cable management in legs and subframe
