NATIVE worker stool*

*Influenced by Australia's past as a nation built on commodities and raw materials, the simple worker stools are a tribute to our migrant workforce; workers supporting a new nation's economy and adapting to new global conditions. Available in single and double lengths, the **Worker** Stools are designed to match the Port of Call Table.*

worker 450 stool

worker 900 stool

worker D350 stool

specifications:

- table
 - solid oak timber
 - steel plate underside, powdercoated white
- top edge
 - reverse bevel
